Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on February 24, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the amendment is not in compliance with 37 CFR 1.121. A complete claim listing must be provided which includes: all claims ever presented in the application; claims in ascending numerical order; a status identifier in parentheses following the claim number for each and every claim; and the text of all pending claims, including withdrawn claims, must be presented. No text for (cancelled) or (not entered) claims. The amendment fails to provide a complete claim listing, including a status identifier, of all claims ever presented in the application. The total number of claims originally filed was 115. However, Applicants have only listed claims 1-107. See 37 CFR 1.111.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
